Training Project Laboratory Report

Name: Mean Diamand
Neptun: KSG25Z

Project title

Description of the project:
Football Website, a website that show the results of the football matches, players of the leagues, the leagues, the table of the league… etc.

Tasks required for the week:
(Tasks you were asked or planned to do in this week, mostly decided in the previous week)

- o Learns more about html.
- o Learns more about CSS.
- o Learns more about Javascript.
- o Learns more about Reactjs.
- o Try to implement all the above topic as much as possible.

Tasks done this week:
(Tasks that you actually finished this week, from the previous list or more)

- ✓ Learned a little bit of CSS.
- ✓ Learned a little bit of Javascript.
- ✓ Learned a little bit of Reactjs.
- ✓ Make some modifications concerning the text visibility and improve the design of the navigation bar after the meeting with the supervisor.
- ✓ Improve the navigation bar to be able to look like it is pop up when the user places the mouse cursor on it and add border on the top on the bottom of the bar.
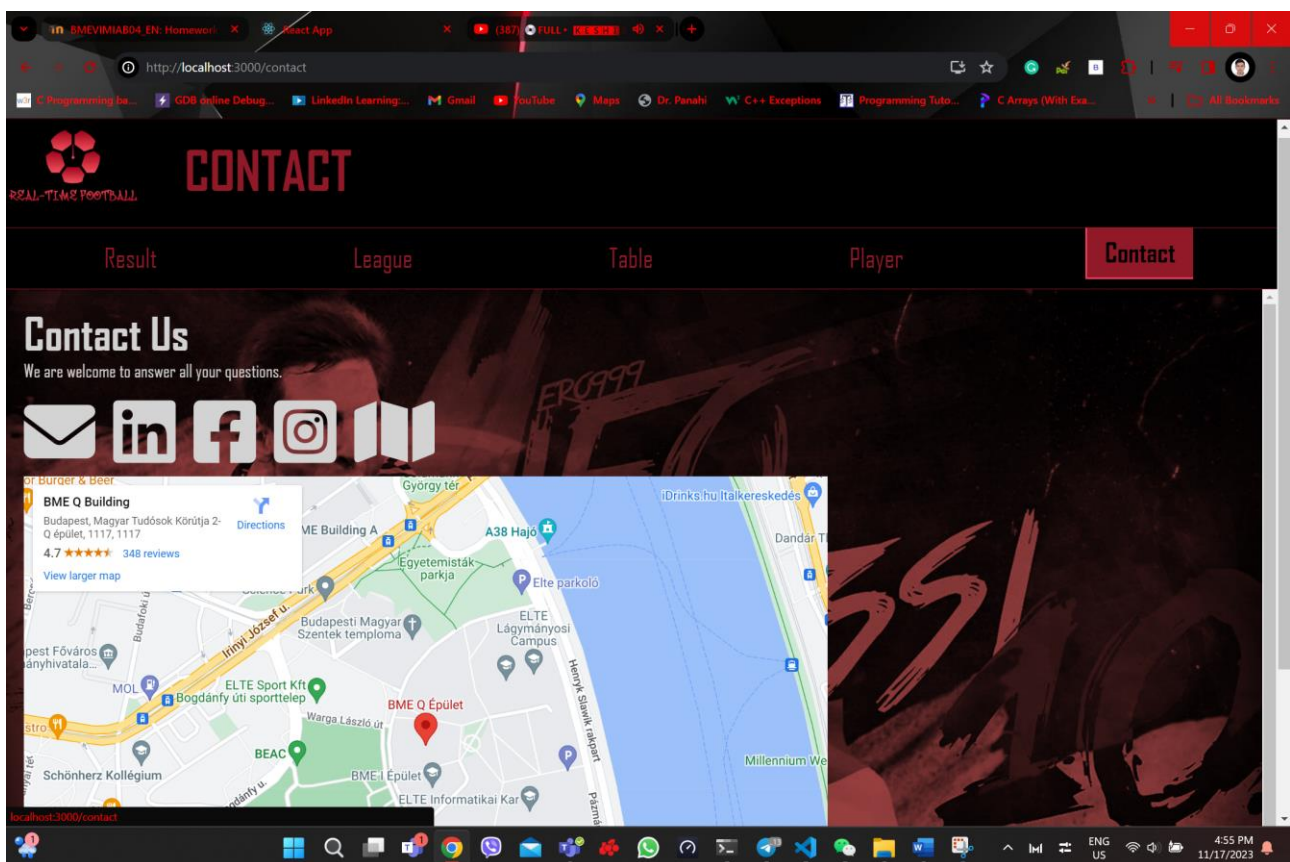

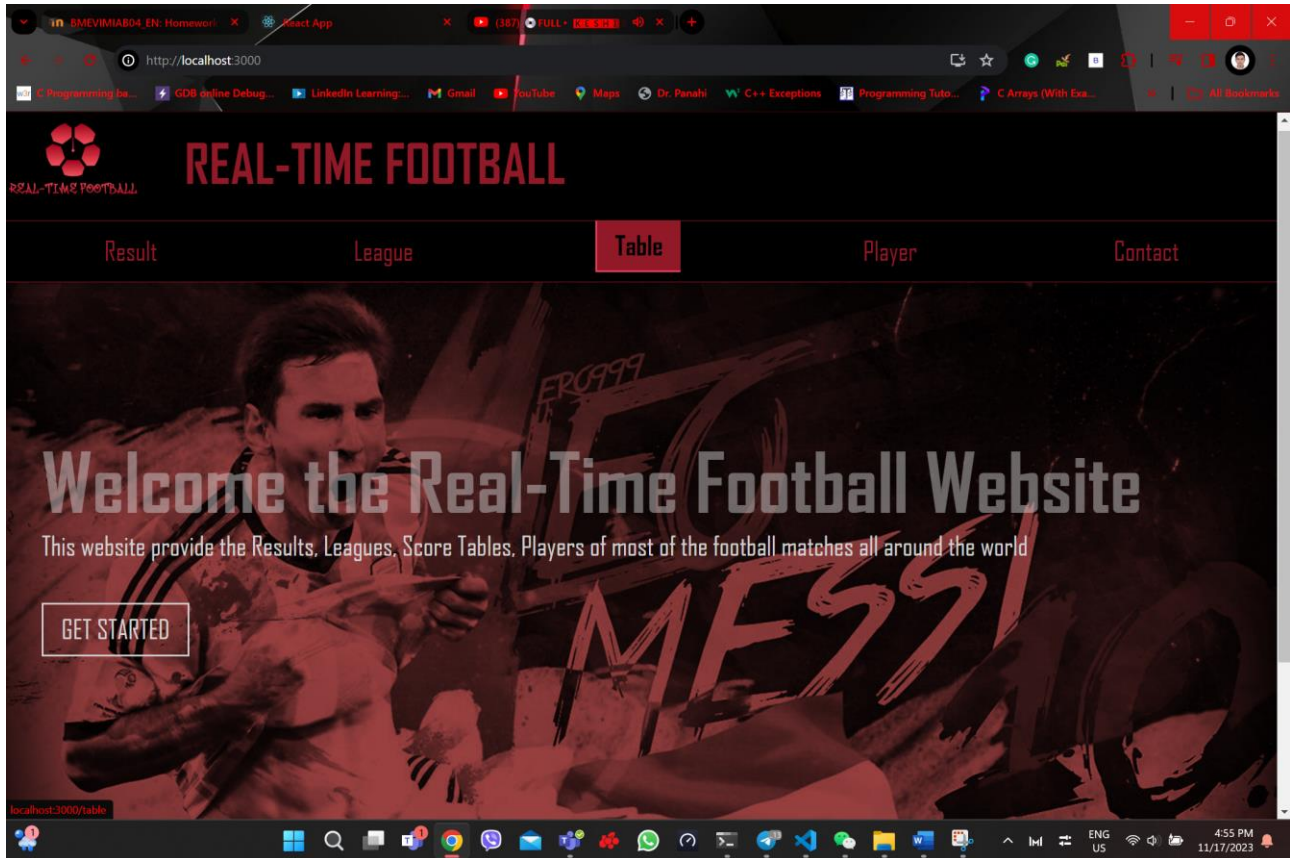

Code Screenshots:
(Insert some screen shots of your code that you wrote this week, in case your work includes other tasks than coding (e.g., design) include them too)

Budapest University of Technology and Economics
